HONOLULU AND ELKS PLAY TODAY

THE FIRST OF THE SERIES FOR THE CHAMPIONSHIP WILL BE FOUGHT OUT THIS AFTERNOON.

The baseball game today will be the drawing-card for Honolulu as it is the first of the three between the Elks and the H. A. C.'s for the deciding of the championship. Those who saw the big game last week will not miss it and those lovers of the game who did not see last week's sport, and have been kicking themselves ever since, will be there beyond question. Joy, who pitched a faultless game for the Honolulu last Saturday, is expected to pitch again today. The game will begin sharp at 3:30.

ANOTHER SALOON.

WAILUKU, September 8.—The latest news item which is pleasing to the liquor men, is the establishment of a fifth class license saloon at McGregor's landing. A. de Rego & Co. have already built on the site, and a license will be applied for very shortly. As soon as work is commenced on the wharf at that landing the saloon will be equipped ready for business. A. de Rego & Co. are the proprietors of the Lao Stables of Wailuku, the Pioneer Stables of Lahaina and Puuene Stables of Kahului, so that there will be no cost for transporting their liquors either from Lahaina or Wailuku to the landing. Whether the enterprise will be a success remains to be seen.

ISLAND STEAMERS ARRIVE.

The steamer Keauhou arrived this morning from Kauai ports. Pursing McManura reports heavy rains on Kauai. Johnson of the Merchants' Association with E. I. Spaulding and J. A. McCandless of the Chamber of Commerce, have the choosing of the fifth member. From what could be gathered this morning no particular anxiety has been displayed in any quarter for the vacant position.

PEACE ORDERED BY THE EMPEROR

PORTSMOUTH, August 29.—The following statement was issued by Mr. Sato on behalf of the Japanese envoy: "The questions of the final disposition of the Island of Saghalien and the reimbursement to Japan of her war expenses have from the first been issues upon which absolute divergence of views existed. The differences of opinion on these points have frequently threatened the existence of the conference. But his majesty, the Emperor of Japan, responding to the dictates of humanity and civilization, has, in a spirit of perfect conciliation and in the interest of peace, authorized his plenipotentiaries to waive the question of reimbursement of war expenses and has consented to a division of Saghalien upon terms which are mutually acceptable, thus making it possible to bring the important work of the conference to a successful issue."

WILL DEED BEACH RIGHT OF WAY

PROPERTY OWNERS WHO CONCEDE TERRITORY'S CLAIMS ASKED TO EXECUTE DEEDS.

The Attorney General's Department is preparing deeds of the right of way along Waikiki beach as acknowledged by property owners who have conceded the claims of the Territory. In these cases it is not anticipated that there will be any litigation or other difficulty. The right of way as claimed and allowed varies a good deal in width, from twenty feet at some points to about seven feet at the narrowest places. The other cases are still under discussion, by Governor Carter, Superintendent Holloway and the property owners. It appears likely that there will be a good deal of litigation before the matter is straightened out.

WHY CORNWELL MAKES THE MOTIONS

SOME THINK THE LONE DEMOCRAT ON THE MAUI BOARD OF SUPERVISORS RUNS IT.

WAILUKU, September 8.—The board of Supervisors of Maui County met on last Tuesday morning at their office in the Kepoikai block and by Thursday evening all business before them was completed. There was very little outside of routine work. George Weight of Wailuku was appointed Sanitary Inspector for Wailuku, and C. B. Cockett appointed to the same office at Lahaina. Several other minor matters were left in the hands of the members representing the several districts.

The Board of Supervisors have been meeting in the Kepoikai block ever since they organized, and to the casual visitor, it would seem as if they were conducting a private meeting. There is hardly any attendance, which is probably due to the fact that many voters do not know whether the meetings are intended to be public or private. It very often happens that the members of the Board and the County Clerk are the only ones present at the meeting, with probably Charles Wilcox who interprets for the benefit of Supervisors Hahala and Meyer. Remarks have been made that every motion which Supervisor Cornwell makes is carried, which seems rather strange with a Republican Board of Supervisors. This remark is made only by those who read the newspaper account of the proceedings of the board, but not by one who actually hears the discussions of the board. William Henning, chairman of the board, explained that nearly every transaction is first thoroughly discussed, and then the matter of putting it through is only formal. Mr. Henning is chairman, which bars him from making or seconding any motion. Supervisors Hahala and Meyer do not understand English very thoroughly, and so the formality of making the motion and seconding same is left to Cornwell and Church.

SCHOOLS ON MAUI.

WAILUKU, September 8.—All the schools on Maui with the exception of Munnahua Seminary, opened on last Tuesday morning, with large attendance of 150 pupils, which is more than the Public School of Wailuku ever commenced with, while Bro. MOAU ESCAPED PROSECUTION. It some times pays to be afflicted. If Moau had not been afflicted as a deaf mute, he would probably have been prosecuted this morning in the police court on the charge of stealing money from J. Fernandez. As it happened Moau could not understand the nature of the charge so he was discharged by the court, the father of the boy agreeing to take care of him.

WHO SHALL APPOINT THE POLICE?

THE QUESTION WHICH HAS VEXED HAWAII COUNTY FROM THE BEGINNING TO BE DECIDED.

HILO, September 8.—The question of the power and authority to appoint and commission police which has been an issue between the sheriff and the supervisors, is to be tested in the courts. Supervisor Fernandez presented the following resolution on the subject which was adopted:

Resolved, That the Chairman of the Board of Supervisors appoint a committee of three supervisors, one of whom shall be the Chairman of the Board of Supervisors, whose duties shall be to take all necessary legal proceedings to test the legality of the appointments by the Board of Supervisors and by the sheriff of the County of Hawaii of certain police officers and other subordinate officers of the County of Hawaii now acting as such, to prosecute under the laws of the Territory of Hawaii and the ordinances of this County all officers of this County who have not been regularly appointed by law. It shall be the duty of said committee, and said committee is hereby especially authorized to employ special attorney on behalf of the County for a reasonable compensation for his services and to authorize him to commence and prosecute any and all legal proceedings in this behalf.

Two hundred and fifty dollars was appropriated for the expenses incurred by the committee.

TARIFF REDUCTION FOR THE ISLANDS

PREDICTION MADE BY MEMBERS OF TAFT PARTY IN MANILA—A 25 PER CENT REDUCTION.

MANILA, August 28.—Secretary Taft, Miss Roosevelt and the Misses Boardman and MacMillan, during the rest of their stay at Manila, will be guests of Commissioner Legardo, where their entertainment will be in accordance with old native customs.

A consensus of opinion of the majority of the Taft party is that at least 25 per cent reduction will be made in the Dingley tariff, if absolute free trade be not granted, on the products of the islands, which do not interfere with the same products of the United States. The leaders of the party will recommend during the next session of Congress the establishment of a postal bank by the Government and also an agricultural bank, safeguarded by the Government.

YOUNG BELMONT TO TAKE BRIDE

ANNOUNCEMENT MADE OF THE ENGAGEMENT OF AUGUST JR. TO MISS ALICE DE GOICOURIA.

NEW YORK, August 28.—Announcement was made today of the engagement of August Belmont Jr. and Miss Alice de Goicouria, daughter of Elbert V. de Goicouria. The date of the marriage has not been fixed, but it is understood it will take place late in the autumn.

Miss de Goicouria is descended from one of the Spanish families which first settled in Cuba. She is 26 years of age, an accomplished musician, and is particularly fond of outdoor life. She is an expert tennis player, and is considered one of the finest women whips in this part of the country. Her father is a member of the Union League and many other clubs, and has a country seat at Babylon, Long Island. Her only sister is Mrs. Scott Cameron.

August Belmont Jr. is the eldest son of August Belmont. He is 22 years old and was this year graduated from Harvard. He has made a trip around the

HAWAIIAN WOOD FOR INTERIORS

MR. RICHEY OF HILO HAS TAKEN THE MATTER UP WITH ARCHITECT TAYLOR.

HILO, September 8.—Word has been received through A. Richey, who is now in the east in the interest of the Koa lumber trade, that the United States government will utilize only Hawaiian woods for interior finishing of public buildings in Hawaii. This was the decision reached after an interview by Mr. Richey and Supervising Architect Taylor. In other words, all specifications for the construction of a federal building at Hilo and Honolulu will provide for the employment of Hawaiian woods for interior effects.

Some of the Hawaiian woods have a beautiful grain and at the present time are very valuable for furniture and interior decoration. The Koa is probably the best of the trees of this class and it is known as the Hawaiian mahogany. The grain is fine, curly and wavy and capable of taking a very high polish. The Koa grows on the slopes of the high mountains of all the islands of the Hawaiian group. It has great powers of endurance, and from time immemorial has been the wood for canoes and surf boards of the Hawaiians.

JAP EDITORS FILE DEMURRER

CLAIM THERE IS NO CHARGE OF A CRIMINAL CONSPIRACY TO DO UP SAITO.

A demurrer and motion to quash the indictment was filed this morning by R. W. Breckons in the case of C. Shiozawa and others, Japanese editors indicted for conspiracy to injure Consul Miki Saito. The editors are alleged to have met together and agreed upon a plan of roasting the consul and trying to have him removed, and they were indicted at the last term of court for conspiracy.

The motion to quash is on the ground that the indictment fails to set forth any criminal offense, and that it does not state what means were to be used in carrying out the alleged conspiracy and fails to charge any unlawful conspiracy.

ROW IN MAUNALOA.

Complaint was lodged before the Sheriff on Tuesday by a Mrs. Gamalielson of Kaunama against her husband, a blacksmith, who had assaulted her. The couple have had trouble at intervals for some time and the other night Gamalielson, while under the influence of booze attacked her. She ran to the house of her son-in-law, Mr. Macfarlane, and the latter advised the husband to keep out or he would shoot him. Gamalielson continued to attack his wife when Macfarlane fled but inflicted no great injury. Gamalielson will tell the judge how it happened.—Hawaii Herald.

M. Witte has the assurance that a number of people at home will criticize his work adversely, no matter what the result of the peace conference may be.

IN THE LIME LIGHT.

It may be a little discouraging to Linevitch and Kuropatkin to note the manner in which the peace envoys are monopolizing the lime light.

Belmont passed through Honolulu recently.
